MOTORBIKER 2

And gee thanks a lot MR. For putting me on here too. Do my bit monkey doctor what your qualified vet said the other Jap who had a bike to go go go on.

JIAIN

Monkey farming hot good idea. Driven crazy for chimp of bush meats. Like the noose around the neck with a racist slur. The other geezer before done it, it wasn't me.

SCENE 5:

NARRATION

A short series of channelling from someone else... All people follow from my typing pad E. Different women and men tone accents at full stops spoken out of a Japanese man' mouth. See I knew he could do it even if he only thought too.

JAPANESE E

Sorcery spider. Bag of spider mince please. 2 onion, double mush. I told ya grill my f*cking food okay. Curry it all up thank you. What a puppet. Are you the wizard of God? Getting Close... Least he's not crying about it. Goes on all day here as well fellow.

SCENE 6:

WIZARD OF GOD

And now...

Revealing a bikini wearing women holding a colour board with a top position red blue green yellow strip light moving fast from left to right across it repeatedly with each word of the next sentence sequence white on blue.

I'm God.

GOD

Piss off son! Plus you want some sugary arts thou beef blood stains onto his writing land ugly beard boy. You're not entire cosmos f*cking God fella plus I the writer concentrate E be careful how you even write it MR. It might come for you and your reader viewer. Carefully now the Curry Monster is out to get.. Curry you. Son there was a once a man who ate so many curries..

Visuals of God' gut representing the digestion of his universe. Vessel and my alchemia. God points his finger to the constellation of the curry monster. The entire universal stars amass together spelling out the following text joined up writing from the pen of God plus the Milky Way in alignment with the sun as foretold.

GOD AND HIS WORDS

I mean he ate curry after curry so many so that after a lifetime era of eating

this curried delicacy he turned into a most powerful of curries. This Allah geezer was a f*cking ugly monster he was ugly plus I was triple strength of curry powder hot. I invented the curry monster pal he had the same powers English guy as the Curry Bogeyman mate. Bearing in mind a lot of my power itself came from the curry at the beginning and this booster is still magically happening today I am the vessel of curry belly curry vessel... Hot powder. + the pro eye was on top of the temple. + the curried spider grail following is over flowing of the spider cook up with the art all 8 eyes Merlor and the rest of the 99% unknown to man supernatural dark occult forces. The heathen wicked witch yields in pain. Channel full stop.

SCENE 11:

MR. Jiain is speaking plus playing the following text music score exactly the way it is written Grand Piano then Church organ at huge cathedral from 'The Holy Bible' Alphabet style left to right ABCDEFGHIJKLMNOPQRSTUVWXYZ1234567890

MR JIAIN

And now the malevolent power only yin demon and the pro elixir vitae evil spirit and the infernal magician

bringeth the special FX lines through the chasm via the hot curry powder pot information shamanic cubicle the bellied golden wins of coined incorporation a better vivid side... O' brilliantly drenched in the intelligence of a sunlit day if one could hear picture visualize thy musical merger music also to his almighty words. Let him spell it out exactly the way it is meant. The Holy Bible New International Version. So the tale of the music score is as follows..

Genesis. The Beginning. 1. In The beginning God created the heavens and the earth. 2. Now the earth was formless and empty, darkness was over the deep, and the spirit of God was hovering over the waters. 3. And God said "Let there be light," and there was light. 4. God saw that the light was good, and he separated the light from the darkness. 5. God called the light "day" and the Darkness he called "night". And there was evening and, there was morning the first day.

IN UNISON, THE NARRATION COMMENTATOR PLUS MR JIAIN

The sun has risen and it is the time to make that music. I second that God then following in melody the second day of blessed fonts of creation A to Z letter configurations musical scores inventions of thy musical mate. Well, it's a big book yes, + I've completed perfecting the play of the 1st page okay it is a decent film.

Cuts then fades in from white black and white.

SCENE 12:

Description.

Plus, now introducing a slightly lighter side of the spiritual entity Death/today fictional big man Death in money dress kit attire. Commentary of Deaths mate's speech visual.

DEATH' MATE

Wow hiya Honey the Money Monster is running faster up the road of death in kit flashing the movie colours red blue green yellow doing a flying header to ball... Scoring a goal. Yep yep yep most definitely yep and what a fantastic goal. Then tons upon tons of fiction flesh drops/rains from the sky. Plus... Tons and tons of angel magic flesh reigns down from the skies he's got some muscle that God bloke this is also upon a time plus the realistic skills displayed are one' that lasted for many eons.

Now it definitely cuts to pictures of MR. Jiain the brat with a moustache as dictator similar to pixelated Ad*lf H*tler beeped out on a digital bust invention plinth with TV screen capture. Lots of censored N*zi symbols, website logo' and newspaper headlines on flags huge crowds shouting and wild eyes plus hands clapping and fists thumping up into the air aggressively cuts

to wind-swept streets then MR. Jiain happily booting bin trash cans up into the air.

MR JIAIN

Not to light hearted then yeah. Plus
look at that mess. Look what you made me
do you rat.

With a transition of an eye movie/flick book moving around clockwise around the earth/globe... Suddenly stopping at north position point with black hands of the clock telling 10 to 2.

Now sequences of technical schematic images of clockwork automation playing through the writer' all in one clockwork automation display device hand edition and light fitting portfolio additions lasting 1 minute.

SCENE 13:

INT.

Looking into the mirror the whole scene with old MR. Jiain' words spelt out inside the mirror in a better advanced favoured and magical blood with banshee blood curdling screams in the background and big city police sirens.

MR. JIAIN'S NARRATION

More spider.

Plus, as it reads...

The man, he walked into the hot f*cking enough Cambodian delicatessen big spider please oh that's right Englishman a big baked spider. That's right I went there for a big baking spider drenched in cognac. He got it home his wife said quick eat it before it eats you. It was real nasty looking thing in fact it was grim. A fine specimen by the writer looking at this thing he took a big bite mmm she's so jealous when I treat myself to a spider give us a bit she asked him. Take a leg. Delicious as a snack on its own merit. She said husband you got me feeling like a big baked spider. Money was so tight like her fanny so he gave her the paper bag to eat which was flavoured with the whisky cognac.

Then cuts to a glass of scotch being poured from a 'very posh' decanter.

SCENE 18:

Again, as it reads...

EXT.

I've spoken of eating monkey's before, more monkey that's right just over here they'll let you buy one. No! No. Go away she tried to cover up her selection of freshly caught bush meats no wait miss dollar the hag saw they were holding currency look dollar's money ok. She spoke again to her ugly looking foreign fellas in her foreign language. 2, 2 he lifted his 2 fingers up she took the cover back away to reveal some small monkeys which had been very inhumanely caught in snare traps. There were also some dead paradise birds that one and that one I weren't f*cking about we aint haggling and I paid \$5. United States buck dollars per head O' monkey here + \$2. For the small bird. He went home to his guides mud hut cooked butchered 1 of the monkey's stuck in a pot of baking hot water nothing of the animal was spared in fact it a fed his whole family that evening consisting of 6 ugly children his wife and us both. I said before they served wait a second and sprinkled a lot of that stuff the Chinese add to their cooking to make it taste nice... Aye that'll make it taste better I said to him. The man nodded yes... I then went home the very next day and I wrote him a bit of yellow fever mate. Plus I'd had my jabs plus I'll try nearly anything once or twice.

SCENE 19:

EXT.

Visuals of the Milky Way moving into alignment with the sun ever so closer, closer... Plus with the audio of a clock ticking.

THE DÈVIL

Iain it's moving into alignment... Plus
will again.

SCENE 20:

Narration of this text visuals.

NARRATION

Cuts to The *evil with f*cking great
good looking horns and snakes writhing
in his hair his eyes glow red then flash
quickly brilliantly red awesomeness and

he twists his forked tongue points to the pyramidal eye then screen turns 180 degrees clockwise to visualize God doing the same head snakes even most more terrifyingly writhing absolutely twisting and writhing thrashing about around his hair with his eyes a flashing brilliant lights of gold and silver looking his at the pyramid eye it then explodes. Making a sound so loud as 2 galaxies colliding plus the pyramid crumbles to power powder!

SCENE 21:

EXT.

Now the family brothers were in the night time graveyard practising the Ouija Boarding alive of skeletons again and look we aint given him permission to write it. We can still do it today... This one raises up quicker than lightning again... It started talking secret knowledges of the arts the darkest kind. The camera is trained at the reflection angle from one brother'

eye at the talking raised skeleton viewed by the other brother and back to the coffin area raised dead.

SCENE 22:

EXT.

Spins into another Cemetery fictional one this time.

Description as it reads, please plus for that length narrated wisely by MR. Jiain.

MR JIAIN'S WISE NARRATION

So viable are the new lines... Of the grave gravel haunting. The piece of gravel flicked from under his boot, the type that pings up onto a car. It followed him everywhere oh sh*t there it is again... On the table for another example, on my keyboard keys look gravel can you see it hear it inside the DVD player now

clicking time will tell. Let me put it to you this way if it isn't or any of this better IP Intellectual Properties eventually someday soon the all-powerful magical grave gravel scene movie scene going down will be on all those people's graves turning... Truly to an ace hand vital evil spirit lethal large fanged f*cker spider a brutal big biting bugger muscular variety robbing you of your souls through to limbo the horned maniacal poison has no mercy when asked. The snakes and the boiled water pit in eternal Hℓll where you shall have every one of your throats sl*t or even slotted into place. Your mortal shell shall be forever in your casket cursed, you conclusively will be gone sent on to one likened to no other Hℓll imaginable with the noise of a guillotined head dropping into a waste paper basket vibes wow special FX... Just as you're falling asleep now not even ceasing to exist in negative or positive energy the black magic beast awaits.

SCENE 23:

INT.

The now secret Bogeyman is eating his dinner with his face pixelated. When audience members try squinting one' eye to come look see the pixelated trick of the eye face display changes from several faces that shaped history graphics. Knowing it the Bogeyman/men astral projection is the narration to audio whilst the text here scrolls from the bottom to top of course in gold writing onto a blue background on his TV screen.

THE BOGEYMAN/PIXELATED MEN

Another film important notice innovation example. The exact day I reclaimed my soul back from The pact *evil... The *evil is on The Mayan Doomsday 21st December 2012. Which nudges my memory shaman? Money remember Iain. You better pray for your souls he gets his money before then fellas. This man is part of every Doomsday and Arts Thou True.

Additionally, as many wondrous other realisations. Then I'll be going to heaven can you say the same about yourselves. Stop business thieves and think... Plus, at the 1st stage phase I was a little invisible force in the Mayan veg garden as well. Right in the middle of the jungle at the foot of the ceremonial pyramid mountain cutting peoples blessing heads off in more mysterious ways through all of its 5 earthly ages to the end and to the death, and... On this very even-handed day of sword fights and magical rites, beyond the death grave plus the Armageddon pal.

Introduction.

A better #1 ranked epic sequence of film script movie inventions. All of these are easily literature advanced plus much better than brilliant and preciously gifted. The following film shorts I'm going to display shape alphabetically into new innovation wondrous content. The figure and format cash must amount to X many calculations. This is a must, watch and concoct

buy upon a time by the improved word configuration master. 7
movies in 1.

SCENE 1:

Opens with 4 frames of a square $\frac{1}{4}$ each segment turning red blue
green yellow clockwise in each sequence followed by a golden
gong being struck on a 10 X 10 grid top left to bottom right of
the shot by a spider in a rain coat wearing a curry magic film
golden presentation Badge.

Scrolling up the screen in white on blueprint plus in extra
added 3D writing in association with 360+ complete whole suite
alpha-beta business mega quota accountability inventions
WWW.INVENTIONCORPORATE.COM better than magically conjures you
up via the spirit of the vaulted bogeyman more innovation film
magic now 1500+ invention opportunity chances...

Luxury enchanted drum rhythms roll in from the distance then visuals of loud up close snare drum sticks playing a golden tune drum roll. Then symbols crashing ten times fast.

SCENE 2:

Left to right scrolls the text...

"Film script #1."

A New film script titled.

"GOD TODAY."

I don't think that I'll even bother they're all in such a rush. I'll just smash the Devil for him in his film instead for starters tonight. All that is needed is a screen fade & heavenly sounding trumpet and fanfares to the spoken words.

God easily smashes the Devil/Satan/Lucifer/and Beelzebub. Then reverses the entire lot. God doesn't even bother to start the universe in motion.

Also spelt out 1 letter at a time with the audio..

Another invincible graphics FX of the man' imagination copious..
+ The bountiful omega fiction film end.

It could be easily done my son the complete reversal he could easily do it. 4 seconds of silver and golden lines going up then down... Left then right. Visuals of Almighty God sitting aloft in the north of the heavens on his throne.

Transition to a double-sided triangular mirror turning around with the moon reflected one side... The other the sun between a man's 2 eyes in a very shadowy setting.

SCENE 3:

Left to right scrolls the following text and pauses...

"Film script #2."

SCENE 4:

COMMENTARY

Part 2 Titled God The Sorcerer.

Visuals of the following... Speech spoken behind a screen.

GOD THE SORCERER

The unbeatable numerous God The Sorcerer
comes back to battle it all even it up
with actual battle magic combat sorcery
wins. He physically opens the heavens
and a lightning style void approaches

the. He astral projects the passing demise out of everyone. Completely on all the 7 levels of the astral plain and over all the earth.

The next text with no motion or fade spoken by the narrator.

SCENE 5:

NARRATOR

So, this is a film about astral projection let it be told. All unholy heathen bitches innovative cook up witches and sorcery nuns and Devil night priest' bogeys and imaginative goblins with their doomed black pots enchanted power cauldron' against God's astral projection sorcery is today made nought. For within the brilliance of God' light is the Wizard of God he is a powerful sorcerer he has the power up of God and.. The Devil gave it to him also a near

perfect balance of the yin and yang is achieved made unto him the art... Anything astral projected onto the or unholy craft performance onto him/The Wizard Of God gives back in deeds several plus fold he can astral project anything in this f*cking movie he takes nasty liars souls off them 'easily' he sends them to where limbo/hell for a bum time nasty and the special engine FX is pixelated and for forever ultra in very favourited mega eons it lasted. Plus at the very bottom of this movie pit is a sex act brothel and a terrible she witch.

SCENE 6:

GOD THE SORCERER

I again appeared right side next to the holiest light as God The Sorcerer in nightmare' of men akin I can do this by art and by speaking it happen. By clapping my hands it happens, by

thoughts make it happen I can even via
living electricity email it happen or
write pen stamp a friend make it
transpire materialise. Forwards unto the
dark abyss of mayhem.

Visuals of somebody receiving an inbox on a computer terminal
& letters coming through a mystery letterbox. A telephone rings
it is answered..

GOD THE SORCERER

Taxing even in thought over any ones
bugged telephone I can demonstrate the.
Plus... I can even send you onto a
fictional Hell of which all other cheeky
C's have been sent through the void if
I know not you are male or female in
these gruelling days. Is it to much to
f*cking ask for you to keep quiet?

An ace futuristic glance 2 second frames of a separate male +
a female toilet sign.

GOD THE SORCERER

Anywhere in the world that I know about probably with ease everything in the cosmos. Plus down the drain is it the earth going to pot.

SCENE 7:

A 10 second photograph flick book imagery of the planet earth show in front of the entire cosmos universe.

SCENE 8:

Now action... God The Sorcerer is looking down at the blessed war stricken and polluted earth sphere imagery from the moon/dark satellite monitoring on a viewing monitor the monster of which is man X3 timelapse videography sequences side by side of known history through to the present day lasting 30 seconds.

SCENE 9:

"Film script #3 Now Titled. Still Not Crying. Now Cry Jiain."

UNKNOWN

Crying.

UNKNOWN 2

Now cry babes, not I nor him.

UNKNOWN 3

Look Iain... We're terrified of this geezer, and... This is a New Seven-Fold Sequence Of Universe Parable Fables... Movie act part #3 upgraded.

The following visuals and sound bank exactly as it read' by the narrator thank you...

NARRATOR

Angel magic techniques follow... Firstly the moving of the black and white voluted swirl turns anti-clockwise for 3 seconds form then clockwise for 3 seconds form and fades to 1/3 visible and continues over the rest of the scene turning red and blue every 10 seconds and green and yellow every 10 seconds. The whole screen turns 360 degrees around clockwise on its clockwork mechanical vertical axis motion with a bright background light brilliantly

raising upwards revealing background
darkness fell over the screen... It now
turns as alchemized pure silver/white
argent vive whilst in fusion with the
copper tat in the heat hot burning
flames cubicle making a loud snapping
noise and light revealing a successful
tincting of the alchemy silver equal to
the mines. The factual projection act
follows... A speed up visual of the rest
of the great work/the crowning practical
work of philosophy the exact form and
method in fact furnace scenario into the
waxy red medicine of the holy order in
its first degree the great work lasting
1 hour of course in timelapse
video/photographic and special fx
graphics follow the... The bettering of
the stone in all five degrees lasting
one month/30 days over a lower heat. Now
behold the ferment elixir is
administrated to an old man in the
weight of a barleycorn in a little
warmed good wine he like the metal is
renewed cured of leprosy in the 4th
degree... It is also shown behold

administrated in its 5th and final illuminated form to a dead tree trunk which immediately sprouts new roots shoots and branches originally according to its kind plus writer/chemist show them these clear glass crystals treated with the converted into gem stones equal to the mines of all sizes. This was also revealed to I in mind to the original Satan pact and in mind to The God vessel the accurate commandment... Inventor' creative cubical is as before written secrets given unto gypsy' Now... Following that lot up are the visuals of many earth globe world country' muscle men/hard men faces and young tough nut cheesy brown bearded young un' that don't know how to shave their ugly f*cking faces all pixelated scrolling bottom to top lasting 10 seconds going up the screen shot and also given mercy by the writer' art. Visuals of the eye thing appearing on top of all known to man pyramids one by one scrolling left to right extremely scenic the sun then rises and sets in a timelapse photographic style the eye

reappears... On top of every pyramid as before graphics each in turn fast top left to bottom right to make a grid square then visuals of each eye bursting out upwards of its go magic socket base going up into space with its whizzing noise... Thunder and lightning follows... Then plenty of cool slick birds powdering their noses with what f*cking drugs mate with pixelated no knickers on and wearing new trainers here's johnny show. Ya brat.

SCENE 24:

E

And the little city neighbourhood head wench vipers and the head blow off boys and the old boys... The little f*cking people big Iain says and the box mate are all still whining crying and lying green with envy 10... F*cking trolling years on from even then, O' ignorance is

must be bliss for 'em. Why what have you done wrong Iain and what over the past 3 f*cking decades mate? Extra here this have a blimping good time and a having it techno rave... House music shout out in the old skool favourite flavour and have a fabled Iain on film signage a sign so fab so awesome and great it has multiplication math and starts with a circle with a dot in the middle of it yes at it's very epicentre. Plus this is also a dancing scene it is greatly appreciated advanced.

SCENE 25:

E

What's this... Run-away boy/s home indoors all the way home to your mother' big breasts for a drink you big pussy muscle man a-brat.

E'S CHANNEL

&nd you... You Big biker pussy' run. Plus that is a pretty sweet film good talented skills and contained the ultimate instigated longevity scene ever envisioned by man for a wider audience it is planned masterminded and break and cut.

The End.

Transition cuts to Gold and silver wide lines going up for 3 seconds down for 3 seconds left for 3 seconds and right for 3 seconds.

SCENE 26:

Left to right scrolls the following text.

"Film Script Wee Little 4."

Titled.

dope crack pipes being smoked by junkies in a crack house lasting
1 minute. Also showing a fella rich slick show-off injecting a
snowball into his wrist my fellow.

Scrolls left to right the text...

SCENE 31:

The following spelt out...

"A Short Film Script #5. Titled. Knife The Wife."

NARRATOR

Is as follows...

A BEARDED MAN

As soon as I saw that particular knife in the shop it spoke unto the telling me a tale of actual tall ones. It explained in an evil alphabetical sharp tone in great secret detail what I was meant to do with her, plus... Through new nightmares of the night the manifested witch demon' madness had to be straightened completely silenced put to death... Plus the wench bitch's bit sexed up text wet pixelated slit was hushed through the mazy abyss of her muzzled mind thus sending her onto an oven hell conflagration inferno to be a slave down

the mines with the earlier burnt chimp offerings of the writer' innovative art...

SCENE 32:

The following actor/s visuals in alternating blues and white templates...

IN A SMARTEST OF PROFESSORS COMPUTERIZED/DISGUISED VOICE

It also told me... Writer of the flirting decree wins, writer of the order... Writer of his elementariness invention... That a man's written obsession with his dalliance knife is as fondly felt by the one' that feel it true apple of eye as he would fondle philanderer his wife and his many mistresses, he thought of his knife very dearly so to speak. One evening a 1 month on the wife and I started another argument over money. You user you think more of that knife than you do me you bastard. It was last straw

I flew across the room shot into the kitchen grabbed that innovation knife.. My wife knife and I had finally now done the onus deed. The un-savoury wet wench was knifed really, really... Done in entirely via the tempo fanatic dance. I've killed joined up the dots and married them both knife to wife, wife to knife. This was of course terribly satisfactory a death to dance to and I admire the way he wrote that I'd like to read it someday view it at the cinematic venue... I hope the mouthy little sally has her legs open on screen to show off the fleshy parts writer, and... When and if I'm released from R*mpton hosp-it-al top, top...

VOICE OF ANOTHER NUTTER

Top psychiatric hospital for dirty little girls of the funny farm haahthfahahahaeh you rat.

SCENE 33:

NARRATOR

This well valid authentic tough nutter was in his padded room with the shittiest and vilest real poltergeist you've ever seen in a movie. I just jumped it up respectfully sang rapped it through empirical observation chance... Put it there in writing by the all-magical skill... It came with an unknown measure of mental illness it was exclusively wholly completely very un-savoury from the end-to-end void drenched in mayhems... Attired in blackness through the connected snapped chaos usage beyond the hell chasms via the click onto universal point multi dimension.

Descriptive commentary... A photographic still of the special FX loony bin/a hotter mental hospital zooms out to the entire celestial heavens sphere welkin visual which is further slashed

open swished with a knife in one' swanky depiction revealing an up-scale chamber with a seriously brainy person' brain cut out and cooking in a blueprint style coloured big pan of cheap millet with a picture of their mugged face pixelated on the side of the cooking pan big pot... Which changes metamorphosis into many mythological creature' face' in special FX graphics seen by the squinting of the eyes lasting 30 seconds 3 seconds a piece... Furthermore, the shot moves out of this affliction dungeon cooking room and down a series of connected image different global country' corridors of power with an audio alignment of loud quick walking footsteps getting closer and closer plus finally a red blue green yellow gold set of curtains open in sequence to make known...

SCENE 34:

Episode 3.

Pause, Magic Dog. By Iain Innes. **Note: This New Movie Script
Opportunity Is A Work In Progress.**

Film Script 13. B... Pause, Magic Dog. A.K.A. Little Puppy Dog
Christmas Everyday Film.

Introduction.

A movie about a Dog. A very special black and white world cause 100% pedigree Border Collie Puppy Dog that's wearing a purple neck bandanna and fantastically special incredible Holy Cross and Christmas Digital Inventor Collar = this film is the opposite to beeping at J*ws film. The Dog is called "Magic Dog" and her owner/inventor of this fine works has a 360+ now 1500+ invention opportunities business suite. The talented man and his dog really know the layout of the land. They're up against an evil tall type... Indian Chief more expensive and rarer war treasure antiquities smuggler who also peddles fame for the famous family plus his crooked Cook/Chef Silly Billy Wife Plastic Titties Cheeky Bitch Sally The Sow The Big and Wicked Night Witch Cook-Up Whore whom are ?ell bent on ruining the world with... The *evil Entity of The Christian/and Muslim faith. The Villains and their night priests trap dogs in cages and cook them up in many global dip spit shit and spoon restaurants and posh curry restaurants and sell all their brands in supermarkets worldwide they are f*cking billion/billion/billionaires. Their Henchman and hot wenches work in back allies across all network lands including the baron lands. They are in with all the posh Governments of the world including those who speak back words tongues = God. They prayer also with an = in-famous Zombie and Vampire dark-light and must be put straight. The Evil Fairy of Fire appears in the flesh in this particular film. What! He's gob smacked at

his re-incarnation and it has really gone to his head, he is a real big head... His Witches even wince with their own balloon heads of farts... He commands in front of the, plus the spiritual onlookers and very powerful temple followers that are actual manifest also all Demons/Fallen Angels are so strong magically the one 1/3 and definitely 'not' a big muscle man motor biker clique sir for this is a fairy tale, a very sweet fiction film. The clever owner of the heroic Dog teaches the world like text book to love and slaps down beats all bad in the final days with niceness. This Magic Dog melts the evil/dark forces hearts with cuddles and lick like kisses alright. Instead of heads getting busted the Dog turns all evil into defeated magical fairy cakes that are feasted on in the Heavens and the coming Heaven on earth forever saga. The film has imagery iconographic meaning of everything positive decent and good nice such as field after field of butterfly fly's and bumble bees smelling flower daisy' and sugar syrup and spice honey and sweet as perfume the. She looks right into your eyes, barks and all wicked and good folk's belongings magic into gold and silver and diamonds equal to the mines. She taps her right toe and pavements and buildings magically turn into solid 24 carat gold. The Film Master/The New Master/Her Master is a Master Inventor. I'm of course the smartest business innovator + in the movie as future foreseen tale transmute tinct base metal into finest gold with even added better skills. Towards the end of the movie after even his dog if you like succeeds in defeating the wicked Men and Woman,

Demons, Zombies, Vampires and all-over other Evils and Dictators ascend to the Heavens and reascend from the Heavens with the completed alchemical powers and new layout of the land Heavenly Orders. Pause, Magic Dog... In Pause, Magic Dog... Movie the Magical Dog and her owner for example cuddle and charm right all the wrong-un' including other Gangster and the Muslim fanatics/*evils and *evil Worshippers their hearts melt and everything turns out swell. Well... The stars of the movie work with the supernatural Heavenly Powers of the Holy Ghost and all new bonus powers. \$££ they read left to right plus The Buddha is also in their nest/camp. The Dog doesn't eat people like J*ws beeping at again film in the water. The Magic Dog Pauses and makes people, makes business' money plus makes your day nice... For she is the fluffiest cleverest most beautiful Pooch that ever blessed the earth and yes... I and I the Dog's Master writes it good and makes La\$\$i£ doggie bow-wow look like a slow coach.

Pause, Magic Dog.

SCENE 1:

INT.

Heavenly fanfare elaborations resonate across the entire global business boardroom... Plus many future golden days are displayed via the phantom visitant in timelapse photography and his successful holy birthed rites... The new heavens created by the also alchemize into alignment. Expertly perfectly correctly timed with the complete range of all universal star suns planets and space dust all expansive legions representation angels' points conjoin... Now all the big money jackpot machines overflow with the company invention blueprints scrolling up right and left side of the screen new stacked Intellectual Property chips favoured to succeed. The divine loaded cards and camera angle turns 360 degrees with the world earth in the top right of the shot the back ground turns silver and gold plus the extra all cool audio clicking fingers noise is sounded... Behold, the all-embracing comprehensive established ubiquitous ever-present rare always principal circle central dot epic enchanted story tale stance centre exhibition and... Write the 90-degree level lines across the widespread panorama incline angles... Now decree magically cut it to a dark forces spider face off wizard sitting on a throne with a big enough demonstration of a legendary sword exhibition please... Plus added are smashed bones around his boots and of course the first star shaped pyramid reascends to the earth which raised up before time with a very powerful execution type red forked lightning bolt system show. Plus, Merlin the Saturnus Smack Wizard Dominus whom lived on a twig in the earliest possible cosmos moment for a split second as it was

made ample sufficient efficient even by scientific standards of scrutiny the making of the ruling God big bang experiment successfully expanded and say'th that's just what I thought too. Plus, the rule of the narration is spelt out every time spoken in a disguised computerized voice.

NARRATION

Observe ace writing once upon a written line. It's here for you all to see now for starters let's get 1 thing perfectly clear the... Other deity does not come in the name of morning sunshine and light, he buddy boy point point onto the chest he comes in the name of eternal f*cking darkness and he has... Told me he doesn't give a f*ck where they got that other one from but they're way off the chalk of the universe. Let it be known.

SCENE 2:

Visuals of Iain Innes' words.

EXT.

IAIN INNES

Intro. The adulterated XXXX rated film script on display today is going to be so tremendously great advantageous in my favour propitious such a wow factor aggressive literature piece plus treble well written big stakes with thy ghostly strength all world challengers and thieves were eventually flattened. It left all the audacious audiences so truly mesmerized gob smacked substantially wildly and his originators content was of pinnacle top materialize. As a matter of fact stories of the mayhem, of its eager waiting goblins bogey's God's demons and devils their evil chants of victorious thy imperishable malignant most magnificent excellent imp of creation impressive champ were shouted about out loud

rodomontade boasted every day for 200+ years then came into being a first new light era cockcrow then nightfall and the bickering fires of hell were left smouldering pale and the demented Satan was left made quiet noiseless and prosilent.

SCENE 3:

INT.

Opens with a strike magic wizard shaman in an unfathomable and immeasurable trance of power.

Follows visuals of God's words spoken aloft with a beating blessed cooked monkey heart on the official altar this time for this is an arts piece which stands the test of time.

EXT.

GOD

The most powerful shaman is a Demi God like the '____' in My Mega Witch Doctor Spooky Breakers Movie which you are beeping at seeing in the country side and baron lands and the rich cities all around you today across the lands. But he is a beautiful male wearing a hundred plus schematic highly polished digital portfolio boots in natural light mode controlled by the system wrist piece. This f*cking footwear concept Protected Invention Intellectual Property of 'My Portfolio' houses a 1000+ pairs in one go schematic here's Jonny Show... Plus can also have the top screens folded down/and detached to reveal the paid for brands hundred plus pairs each and can fit over any f*cking shoe... Display them E now in this movie film one' that are rendered with a sweet as transition fade and bounce into the next pair of my most favourite pair of course in white. Plus... The new Demi-God is wearing tight jeans and a snappy trendy leather bomber jacket and a semi-transparent plastic

vest with attire red hearts as well all over the garment in fact. He is an absolute thug pal a brutal f*cking psychopath killer. He is the marksman projection of the death list honour thy angel magic gangster film project script this is called Titled. The Obliteration List. Titled 'Movie' Where all against him is to be annihilated the repercussions were actually already done finito indeed and he lasted out the infinity because he is righteous. Again hahahahaheh... They cackled with the dead and stolen ritual spoils of the very horned indeed frantic maniac one that trolls through the night and still innovation upon a time... Plus when I and I awakened in morning/Jiain before one even winces my blessed eyes open in fact the daily story starts. But for the mighty truth of the just the virtuous penned word good all righteous and yin yang style combats these whopper vibes and... Via battle magic the semi-invisible handsome enough looking Devil b/pig fairy the leary little Sally and his

completely nude black winged wicked
bitch division witch torments them with
fake illness, barefaced porkies... I leave
him yet again in anguish with the first
foot on the ground earth wobbling him
over the pub tables already he sung..
Then acted it out as the ¼ ton ranking
original harder muscle strong so moreish
invention magical Smack Wizard yes I
sang the Lord's praises forevermore with
all the other angels and remainder demon
chronicles. For Jesus Christ's sake.
Plus, the long dead under the ground
celebrated.

SCENE 4:

NARRATION

The new Demi God walks out he magic ked
out through the gates of Zion, and... All
this is arriving sometime soon.

LAWMAN OF THE GHOST 1

My God he's ticking off a death list man.

SCENE 5:

Visuals of the words.

EXT.

LAWMAN OF THE GHOST 2

As I have been explaining before hit number 4 and 5. One of his gang bosses, God's gang bosses dealt with it this way. Talking about hands from above vibes and in a very best available upgraded film sinister style.. He sliced the school bullies hands off for him no probs. Donkeys years ago, funny fella/y' he had that man's hands wee little cut sliced off he bled to his death and bo!

He died a death under the rubbish
landfill tip right on down south nearest
one to where the writer' best rave music
ever was. Of course, beep D+n blanked
out see. So bad is this cool cat and
always has been do not believe
everything you read you dumb little same
neighbourhood weak sp*stics plus beeped
out bits and arts thou again thank you.
We had him the enemy vibe rhyming engine
pub fame pals bled the sissy lost to
death he was covered in blood bleeding
in oil... Yeah wee little him Rude Kate
Roo yes he did. Yes... He's definitely
been done we blessed the bleed of his
crap claret lines from his weenie wrist
double arm stylee looking for his rotter
hands amongst the rest of rotten garbage
rubbish garbage Sally face down put it
a like a that a you little kebab house
bastard as well in it. You'd be taught
another lesson since then too.. For
popping off fibbing with ya thick in da
mental pals doing your bit for the Satan
then aye dumb ass wit silly moo' and
I'll keep coming forever and this Karma

will always stand... B£^^y Shines school
f*cking teacher is to be strangled and
mutilated buggered lustier via a written
fabrication today thanks. Plus look aye
your other mate has already been done
laid out in a phat pool of knife to belly
many times plasma right down the road
from yes Luey Slicker Sl*cker R*nkings
doorstep. You see, you see what you get
when you mess with the sorcerers. You
find that out you get f*ckin' repped
mon!

Cut.

SCENE 6:

NARRATION

Let's go now just visualize thy words in
this whole scene.

INT.

IAIN INNES

This aint f*cking namby pamby man mate
He're have... A baking hot drink over your
heads with this f*cking movie you witch
f*cking c*nt.

LAW MAN OF THE GHOST 3

Plus, low and f*cking behold black Sally
and regarding the sex/fiddler on the
roof' wife. Here have a hot drink over
your head you cheeky little slapper. Not
you MR. Made clear, perfectly. Yes.

TATTOOED MOTORBIKER SEX SLAVE

Alright you... Vindictive cunt. ?ello
onion vinegar dick and alright you
vindictive little vinegar dicks.

A MASKED MOTOR BIKER RAPPING IT FOR HIM

?ell no please Iain don't put me in it.
Rude bit this yes yin yang and plus... The
bird in the bit just then write her she's
got a regular smut muddy graphic double
entry pixelated ass. Plus in vibes the
description angel D.B.'s Look beeped out
bogey guitarist agrees and write them a
terrible slap in it as well Iain Fabled
Iain On Film. Now Fabled Iain On Film
has got at least 1000+ good
invention/concepts manifest and
powerhouses many more onsite in first
place for over a decade ranking with the
lion's share of hits. F*cking... Andale.

SCENE 7:

Visuals as it reads, please and thank you.

EXT.

A MASKED MOTOR BIKER RAPPING IT FOR HIM

Plus, now a nice enough and clever know
it all and 'fiction' bit fat bloke who
worked on the dust mate saw the news
programme of this ridiculously mean
crime and got together with his fat and
bald hard muscle man real weenie
gambling mates and done a copycat style
slicing off the double hands of as many
people as they could coax near their
yard pal. The ring leader was a dirty
cruel fat bastard with his work mates he
went to footie up with the best of them.
He liked a cock hand wrestle. Plus write
us some expressive acting out of Chinese
Gang Bosses in that scene as well Iain.
Make 'em some more money.

SCENE 8:

EXT.

Visuals of Iain Innes' words.

IAIN INNES

... And the thing that's been f*cking biting me pal must have feet and chocolate bar numbers for teeth. Here have'th your cheesy throat slit open sonny. It turns into a pig of a giant right into an awesomely terribly terrific horrific insect which even eats its own legs when hungry. It's coming to get you in ?ell to feed on your arms and to feed on your back and feed on your faces. Unless no chance buddy here, is... A test of my ultra-power supreme.

SCENE 9:

Again, visualize thy words.

EXT.

GOD + IAIN INNES AS GHOST IN UNISON

Then I, yes, I walk out through the gates of Zion I raise my hands to the sky in triumph skill. He has a brilliant win slim physique in an ultra-tight silver and gold decorated coloured bodysuit costume this time. He turns his hands across to the side and back with big red blue green yellow gold and silver added all shades of grey to black white black white power to flashing red strobe and then red lightnings flying out of his fingers pal he says... Now die. It drops down dead in a minute this genetically engineered biting bad and glad slang.. Manster monster manster pedro prick case human behaviour mancer plus it's 18,000 plus hungry frothy fangs went as thick sh*t head butted sickly toxic fumes of all vermin waste shite. Then thy sleek easy powerful machine gun arms of a biggest ranking big gun in hand f*ck over this dodgy scene it thing out of its wee little existence pal yes, I... Blasted this big pus spot of a pussy

toxic gunned it burn flamed him out of the game of life. The freaky big sh*t. Also... Tonight the odd 5 plus 10 thousand 6 power wonkiest man-made legs before in huger size and fast mindset quickness lunges attacks pounces to me... It really magic's alive for a moreish bite like a hungry dirty clown this type of magnificent creature has also been known to eat its own wings for stardom. He was done a fine measure back of his own shitty worthless, worthless... Worthless merits bad nasty back then I took a hot closer look at them hit then kicked finished it with right boot onto its temples giving it good hiding kicking slapping onto its head spike on boot onto spike kicked hard. Lucky for me there's been only one of them in the 'movie' or there would be millions of them and I would be bitten to death for sure bob-bit nut. I'm doing something constructive with my day you're not, spot.

SCENE 10:

The following scene has the future edge this gangster past master scene written text scrolls from bottom to top with its visual depiction in a rich brightest yellow pure gold colour onto a pure silver-coloured screen after sets of curtains open in sequence red blue green yellow and gold the curtains opened in sequence...

EXT.

NARRATION

Hit on the list 1 2 and 3 today. Picture this the 3 tough nut hooligans the sex attack back buggered rapists had their bums completely f*cking mullered out Jiain and wee little dismembered dumped in a 150 feet deep hole in a shopping trolley under a dual carriageway after doing their stretch with 30 foot of asphalt road concrete and tarmac covered that one up fiction test.

SCENE 11:

EXT.

Visuals of the narration wording of the following scene, scene good scene 11. Lasting as long as it reads then please and thank you.

LAWMAN OF THE GHOST 1, 2 & 3 TOGETHER

Hit whacked numerous dicing with death hits 6 7 8 in one foul swoop. With magic and the wickedness. Have a war won on us.

SCENE 12:

INT.

The Man sitting on a comfortable chair explaining astral projecting to I all the following narration.

EXT.

NARRATION

Loan sharking scene. They were definitely left paralysed if they didn't pay up those readies writer that's what I meant bro when I said we would always badly cripple those people that owed us. We only done it just for a little while to prove we could.

Visuals of a person not paying up the f*cking cash man and getting paralysed from a hiding.

INT.

Also fades out to human red plasma and sinew gurgling down a drain from another hit dealt out without any f*cking sign of mercy or remorse. What do you expect it's a gangster film? At least no cops get shot at in this hit.

SCENE 13:

EXT. AND INT.

There was then the visuals of more extensive and countless magical hits things breaking arms and legs snapping with magic.

A VOICE WHO KNOWS THE CRACK

Remember someone weren't telling him verbally to write this folks... Come on Iain tell them if we can easily Ouija Board dead people alive... Now leave that one there.

IAIN INNES

As the man explained above.

SCENE 14:

INT.

NARRATION

On behalf of the writer pass my black handled scissors ye he are old boy snit snit snit your neck cut and cutting of your saggy old neck the tale did go for the lip you thieving grey haired old inbred bastard inbreeds and yours Mrs greying haired old bastard inbreed have a slang snitted neck pal that's for still thieving the biggest God and The *evil Score pal a decade on from the original film score this in an upgraded movie \$cript. Plus you're lost in ?ell forever... Go writer, bring out the giant pickling vats pal crack open the finest vinegar tanks where they shall end up for an eternity mate in limbo waiting for the later day session or upgrade it innovate them... To a nothing void of energy existence negative nor positive. There is no hell like the one I can dish out in these movies... Wheel and deal

writer wheel and deal. These are truly
testing times and very interesting days
we're living.

SCENE 15:

EXT.

IAIN INNES

'em voila food time.

NARRATION

Now somewhere sometime in Shanghai this
time Shanghai... Shanghai.

MAN, TO HIS WIFE

Let's eat out.

And when they had arrived at the wet market restaurant via taxi cab as I did in thought. Top left corner of the shot Iain Innes reaching with two/deux fingers down his throat mimicry the movement. There was a ton of exotic food on sale from hedgehog' squirrel right the way across the board to snake, spider and a range of monkey'. They were absolutely spoilt for choice.

A WIFE OF ORIENTAL QUALITIES

Oh, yes cock balls.

A HUSBAND OF ORIENTAL QUALITIES

Why don't you not have chicken balls again this evening babe lets have the breast for a change my treat.

A WIFE OF ORIENTAL QUALITIES

Oh yes thanks a lot husband.

IAIN INNES

Looking real chicken lickin' good that
time MR.

SCENE 16:

NARRATION

At a similar type of wet market but in
China another eat out restaurant
scenario... A little girl speaks to daddy
excitedly at the same time as crunching
at her sugar cherry lollipop.

ORIENTAL LITTLE ONE

Cack balls cack balls cack balls.

LITTLE ONES DAD

Okay darling.

Clean cuts to.

EXT.

NARRATION

And again, another little girl at the
same food stall earlier that evening
cack balls cack balls cock balls.

LITTLE ORIENTAL GIRL 2'S DAD

No, you can have beef noodle tonight.

Her father said sternly.

SCENE 17:

NARRATION

Must be tales of myth, math and moth
balls. Well, we're all flying to the
light.

INT.

IAIN INNES

Plus continuing the food score this is
what I'm having for my main of course of
movie literature fiction... An ace big
dish bowl dish bowl dish of lion's
testicle balls curried of course.

SCENE 18:

INT.

NARRATION IN A DIFFERENT ACCENT PER SENTENCE

Cat balls cat balls cat balls cat balls
daddy I want cat balls. Slow down
darling what did you ask daddy for cack

balls cack balls cack balls. Oh, cock balls. Boisterously enough they boast serve up cat balls as well in those foreign parts disguised as cockerel balls to make up the portions.

SCENE 19:

INT.

IAIN INNES

Try sweet mate gorilla Balls on for size a mate a.

JAP 1

Let's go the whole hog E... We own a large Capital Electronics Company since the late 70's early 80's and are friends are dining top nosh having whales dick and shark fin soup penned dish in your film. Bon Appetite writer.

Couple of Japanese, Japs talking in a swanky restaurant.

JAP 2

Why don't you try something different to
eat tonight other than all this cock you
keep force feed eating us my friend.

JAP 3

Good for Zen.

NARRATION

One of the blackest fella' on earth
says.

And note this black fella had skin likened to that of the purest
obsidian stone and eyes that bear a resemblance to the blackest
onyx...

BLACKEST FELLA

Please f*cking say it MR. Say... The fated land still continues to bleed. The gifted land will z/bleed then like the enemy's unlucky heart. Plus... I'm having a ten hottest plus biggest cook-up of spider' innovation for lunch as well like the muscle man biker in your other film but I'm going to eat all of the heads down... Before some other badder fellas than even I try' to steal this talented palomino line of spide' off of my excellent rapping loving love lips mate. Quick finish my hungry teeth have eaten them all. F*ck ya then you're powerful in the wizard sir.

IAIN INNES

Another Japanese guy asked his friend.

JAPANESE GUY 4

Why is it my wife is always bleeding
heavily Beverly?

JAPANESE BEV

Must be your size all that cock you've
been eating and you are quite right E ha
ha they don't know right from wrong.

IAIN INNES

O' sh*t look at all these Japs E. I'll
say it for you... Why is there always Japs
in yo films. Proud Race.

NARRATION

Clear cut and bopping 'bout over to yo
next film scene pal. Plus, some
oriental' japping/stabbing some other
oriental'.

Cut.

SCENE 20:

EXT.

As it reads so you do you hot little Sally.

DISGUISED IRISH ACCENT

Death hit 10 on the list crossed off.. I had the secret enough body dumped in a couple of bin bags for him outside the foreign bank pal. That's correctly done already writer of the magic and gangster films I dumped your opponent's assaulted disarticulated body in some trash bags. Anytime he asks us to bring some troubles across any seas for the man's writing we will. Take 2. Plus, as before and see you Jimmy.

SCENE 21:

INT.

IAIN INNES

As it is black maniac now now if you
were white I would of said white maniac.

NARRATION

Now the following visual shows us a
locked room with a bare ceiling light
this room contains many driven mad meat
blow flies and the Ouija Boarded alive
carcase enemy of the writer is truly
filled with maggots and pus. The corpse
cadaver the little pervert is walking
around on stumps laughing and whingeing
whilst a happy whistling tune is played
on an elevated stereo speaker, and... What

are you f*cking laughing at you little
m*ppet/beeped out.

SCENE 22:

Now an interlude for a business advertisement from our sponsors..
Red blue green yellow gold silver and gold curtains open in
sequence revealing the business commercial on top of a pre-
eminent plinth alter podium, plus... A top selection from the
global lion' share decade positioned ranking business
portfolio/1500+ invention blueprint schematic highlights scroll
from right to left around its base = 'NUMBER 1 BUSINESS ADVERT.'

SCENE 23:

EXT.

The following speech visualised also.

IAIN INNES

Back to our food. That is just wonderful splendid everyone's favourite food fell from the sky into their designated sector. A very appetising and delicious selection Iain.

SCENE 24:

Then lots of new baby tarantula spiders over flow from its flash expensive silver rimed glass chalice grail... Followed by a big black spider crawling over a fruit bowl bunch of purple grapes with red forks of lightning strikes and rumbles of force rumour and bad vibes muttering and distant thunder.

SCENE 25:

EXT.

Visuals of what all 3 shamans say and know.

SHAMAN 1

O' food and oh erm... I like these vaulted
fiction movie creative rites to contain
a holy lofted and biggest poisonous
beetles' nest on top of the spider's
nest and leaves keep the hits coming
vjibbavjibvj*bbavajab blanked out with
an asterisk kid.

Of course, it now cuts to smoke and roaring firing up of a
motorbike.

SCENE 26:

And teddy boys/ted's in town to punk rocker biker music. Night
club discotheque.

PUNK ROCKER/S

Pubs + baths + bus I give them all a
good hiding slap. Along those lines...
Monsieur the old boys. Plus have a
digital punk choker Intellectual

Property invention mention from the
writer with a hundred plus memory bank
build.

NARRATION

And what are you f*cking beeping at c..
Kid madman phat brat man Kid.

Visuals of a punk rocker sticking 2 fingers up at everyone.

PUNK ROCKER

Up yours.

PUNK ROCKER 2

_____ ...

TEDDY

Oh I see out in force again.

Fades out to all the important global old farts jeering.

SCENE 27:

IAIN INNES

Stuck in their ways and wait... Plus he doesn't need you to like it either way wally. Plus... Yin yang and a yin yang digital invention cup of the company portfolio suite displayed. Thanks a lot, plus this is also a good bit that'll give me f*cks of foreign land rich she bitch witch wenches with big hair do' up their f*cking asses all night...

Plus, the above was effortlessly wow pixelated and also showed the birds friends with slick haircut styles their hair slicked back because they are very triple cool sunny shine industry some

with sunglasses on and all wearing new white trainers and getting very exited...

EXT.

Follows narrations visuals.

NARRATION

And the very best graphics special FX available for the four aces chaos citadel hand arts piece bit. The directed bedlam of the right-hand man conjuration keys brought the magic peril horror to a most fitting end and this new precipice chasm levitated.. The eventual doom and its magic attire existed from the beginning of documented time. Plus my exclusive wild card winning style allowed the all-inclusive movie tough nut ruffians herein a sure resolute violent fix today including but not limited to the lobbying of bricks onto the damned heads of the fracas

flack subterranean sub creatures at the exact bottom ledge of the bottomless zombie infested slime pit this is the finale fracas scene pal some of the dead were also hung onto a devil rack.

SCENE 28:

Visual description of Iain Innes' words much invention thanks.

IAIN INNES

Then there was a terrible attack bomb blast for the, and... This story fairy on top of the celebration holy representation tree' eyes glowed a demon red. Jesus Christ my friend smacks some lippy c* on the nose with his expensive not poor gold ring... In self-defence. Shooter time... Plus the original gangster used to shoot dead hard biker bod motor bikers. He had enough muscle. This time he shot a biker club geezers knee caps

off who had a beef with this and a hair do like that rock star fella from the eighties with a double sawn off... He did not f*cking shoot both his legs off at the same time... The second was shot off after he hit the ground hard 'fiction' film. + I bless ya this Christmas. Well tons of bikers had a haircut like that. Makes no difference to me does it pal.

SCENE 29:

INT.

IAIN INNES THE GOD SHAMAN WIZARD VOICE

Victory for me then you see emphasis plus added tonight my human foci of fair skin and bone an angel faced creative one of the best available Bogeyman on team has the edge on you. He is just expressing his influenced skills of thy great holy superior surpassing creation power... With an extra 1500+ invention

shadowing.. All this display exhibition
ground on the back of the 'ALCHEMY'
word. Hardly shallow then is it. Look
pal you have been nearly completely
obliterated done in outclassed and it's
nearly all over the end of the film..
Plus he looks as good as your nice top
people who have the f*cking cash man
with basically just a bar of soap mate.

SCENE 30:

EXT.

SHAMAN 1, 2, AND 3 MOVIE

Yeah... that's him! And in a deep tough
biker' voice...

TOUGH BIKER

O' yeah this is a f*cking good bit...

SCENE 31:

IAIN INNES

Scene 30 you little c*nt.

NARRATION

Yeeeaahhhyes all winning ones all hottest winners wow now the ultimate gangster motor-biker finale scene. Plus, important note the writer clique... He is completely neutral he's in it for the thrills and coins and only the best babes can suck on get his d*ck hard, and... You don't even need to get a mention you cheeky Sally or do your cheeky mates business newspapers. A cut.

VISUALS OF LORD GOD ALMIGHTY NARRATING SPEAKING ON FILM FOR

THIS ONE IS THE HOT FINALE SCENE

Right, you little f*ckers! The motor biker gun shootout takes place. The coolest and harder ranking biker club geezers pulled up at the enemy's spot they shot dead the big biker mother f*cker club geezer for thieving he tore off around the corner on his hog. There was a chase across ½ the city after the mother f*cker of a club' as mates fired up their engines. One point of the chase between these hated rivals at gunpoint one point and 1 O' clock 6 O' clock the enemy bad man bro vested mother f*cker' turned around the corner in force there was big gunfight as usual by standers got caught up in the aggressive gun fire. The bros bikers quickly got the latter days Demi God on the back of his wheels and race contested off.. His friend riding along-side us was the baddest looking the coolest looking

biker mother f*cker you've ever seen or dreamt about in any movie. He was on our side mate. He was dressed in a American cop type uniform with a white crash helmet and aviator sunglasses. The slick badman biker bod bro' and the rival club's pals caught up with us on the freeway shit my driver took a bullet and was dead I controlled the bike to a skid mark complete halt with a ton of respect he was a goner I took off on foot runner and went deeper covert. His lot took revenge like they will always do shot another one of the enemies opposing big biker club mother f*cker's dead later that afternoon. 2 to their 1 on the score as it was my movie-a score pal. That's a f*cking gangster movie end... Biker' getting blown away baby.

SCENE 32:

IAIN INNES

That was the real hot film titled. Movie
A.K.A... The Obliteration List. Now stop
all these f*cking tears fella you... Big
dirty pussy, you phat headed heated
penis... Big time 'character' pal. Plus,
as far as I care with this extra bit
film news... The person/little sow rapping
off can head straight to f*cking hell as
far as I give a sh*t with all her mates
with a neck stanley ha ha ha ha and 'erm.
Plus as if I didn't see the other one
coming. Ha hahaha ha.

NARRATION

Wait, a a a little wally. Nearly done
